## Tiny Chefs: Let's Cook

Tiny Chefs cooking camps are a fun way for kids to flex their creative muscles, spend time working in peer groups, and best of all: a great way to introduce them to the joy of cooking and baking!

Cooking teaches kids valuable skills that they can carry with them through life. Children practice basic math when they measure ingredients, reading comprehension as they follow a recipe, team building as they work in groups, and they also build a strong foundation for healthy eating. All of these skills are mixed in with delicious food and fun.

## American Picnic

American cuisine is inspired by cultures around the world but has become uniquely and deliciously its own! For most Americans, nothing says summer like hamburgers, hot dogs and potato salad. And while some of those items are definitely on our All-American summer menu, we are also going to explore American cuisine from sea to shining sea, from Southern BBQ to California's twist on the BLT to the countrywide favorite strawberry shortcake! Come dive into summer with Tiny Chefs—it will feel like the Fourth of July all week!

## Cupcake Wars

Cupcakes are all the rage and it's a trend that's clearly here to stay! If you've ever been curious about how the pros make those cupcakes so precious and ornate, and if competition is your middle name, then this is the week for you! We'll spend three days on cupcake basics—measuring, mixing, baking, and frosting, and then finish the week with two days of baking battle! Small teams will face off with one another to compete for the title of "Best Cupcake"! May the best cupcake win! Campers receive an apron to decorate during the week of camp, and an electronic cookbook of the recipes they created.

## Restaurant Creation

If your Tiny Chef dreams of someday having their own restaurant, sign them up for this inventive summer camp! Each day, the students will produce a different course (appetizer, soup, main dish or dessert) or an item from a certain cuisine and build a restaurant around it. Over the course (no pun intended) of the session, they will also be working on a final idea for their own restaurant, expanding on the types of foods their particular restaurant would serve, based on the experiences they have had in class. Students will be introduced to a variety of cuisines, cooking skills and presentations throughout the week.

# REGISTRATION INFORMATION

## Registration Deadlines

Register early! Get your first choice camps and avoid being put on a waiting list.

The registration deadline for most camps is two weeks prior to the start of the program.

- Programs may be canceled if registration is insufficient. If a program is canceled, you will be contacted and you may then select an alternate program, request a credit or refund.

## Age Requirement

Participation in most programs is based on child's age as of Sept. 1, 2020 (per MCPS).

## Camp Confirmation

Notification of camp status will be emailed within one week of registration for those registering via fax or mail. Make sure your email is current in our system.

## Refund Policy

Refund requests must be received, in writing, at least two weeks prior to the start of the program. This will allow for accurate decisions on staffing, planning and supplies.

- You may choose either a credit to be placed on your recreation account or a refund.
- Credit or refund requests received after May 15, 2020 are less \$50 per registration.
- No refunds or credits can be issued within the two-week start date of the program.
- Email requests to [registration@rockvillemd.gov](mailto:registration@rockvillemd.gov)

## Transfer Request

Requests to transfer from one camp to another are subject to space availability.

- All requests must be in writing.
- Registrations cannot be transferred from one child to another if there is a waiting list.
- Email requests to [registration@rockvillemd.gov](mailto:registration@rockvillemd.gov)

## Waiting List

- If your desired camp is filled, you will be notified and placed on the waiting list and your payment will be returned.
- Every effort will be made to accommodate those on the waiting list.
- When and if an opening becomes available, we will go to the waiting list to fill the camp.

## Are You a Resident?

City residents are those individuals residing within the city's corporate tax limits and therefore pay the resident rate for camp fees. Verify your residency to determine your program fee. Do not assume that a Rockville mailing address is within the city's corporate tax limits. Proof of residency may be requested via driver's license or water bill.

## Online Registration System

CivicRec powered by ReCI, our online registration system, will allow you to easily create an account, search, register and pay for activities and leagues, view members-hips and manage profiles on any computer, tablet or smart phone.
